REVCON OILFIELD CONSTRUCTORS HEALTH, SAFETY AND ENVIRONMENT POLICY

“BUILDING AN INCIDENT AND INJURY FREE ENVIROMENT”

Revcon Oilfield Constructors is committed to safety being the HIGHEST VALUE in any task undertaken. No job is too important; no task too urgent, that we cannot take time to do it injury and incident free.

We, as a team, are responsible and dedicated to maintaining a safe working environment, not only for ourselves, but for all others involved.

Through proper planning of our work, recognition of jobsite hazards, adherence to proven work practices and procedures, incidents and injuries will be prevented.
